Wine & Art Walk 2025

CACHE hosted another fabulous Wine & Art Walk community fundraiser on Saturday, May 17. As per last year's agenda, the event was held on historic South E. St. in Exeter. This year the entire street was closed off, allowing attendees to freely explore the area and all of its offerings.

Five homes participated this year with a choice of fine red and white

wine for sampling. Brands included Justin, Caymus, Daou, Austin Hope, and others. Some coordinating hors d'oeuvres included a charcuterie board and barbeque olives. In addition, for those looking for a full meal, local food truck "Up in Smoke" was available with a menu of delicious barbecued meats and sides.

Participating homeowners Vicki Riddle and John Cairns, Mark and Tracy Morris, Mark and Rosemary Hellwig, Sepp and Nancy Becker, and Robyn Stearns each featured the work of a talented local artist in their front yards, whose unique creations were available for purchase. Musical entertainment was also included and featured a live quartet, harpist, and

acoustic guitar player.

We would like to thank everyone who supported CACHE by attending the event as well as those who made it possible, including the homeowners, artists, musicians, board members, and volunteers. We look forward to this enjoyable

CACHE Donates College Scholarships

CACHE donated two \$500 college scholarships to Exeter Union High School students Kamryn Bucholz and Chloe Hyder.

Kamryn plans to attend College of the Sequoias in the fall with a major in elementary education. She then wishes to transfer to Sacramento State University.

Chloe plans to attend the University of Oregon this fall with a major in journalism and a minor in media studies/business.

We wish them both the best with their future endeavors!

Student Art Reception

Children and their families were welcomed to a student art reception for the exhibit, Future Artists of EXETER. It was held on Wednesday, May 21, from 5:00 PM to 7:00 PM.

CACHE has partnered with local art teachers Amy Smith of Lincoln and Rocky Hill Elementary Schools, Jeneva Tollison of Wilson Middle School, and Angie Orr of Exeter Union High School to showcase the work of their talented students. Each group exhibited their artwork for a 6-week period beginning January 1 and ending May 22.

The closing reception allowed students to see their work on public display in front of their family and friends and to experience receiving recognition for their efforts. Visitors

enjoyed an assortment of cookies, Rice Krispy treats, and fruit juice that was generously provided by the CACHE board.

A special thank you goes out to EUSD Superintendent George Eddy for attending the event and showing his support for student artists. We are looking forward to continuing our partnership with Exeter schools and making this reception an annual CACHE event!

CACHE Supporter of the Month

We would like to recognize all of the amazing people who make CACHE what it is. This month we are highlighting our board secretary, Patty Spott. Patty is also the chair of our Events Committee and helps us with planning all of our events. Thank you for all that you do!

Spott is currently the president of NSE Insurance and is a past president of the Exeter Kiwanis and the Exeter Lions Club. She was named Exeter Chamber's Woman of the Year in 2006. She is most proud of starting the first Relay for Life in Exeter 10 years ago, which now boasts over \$1,000,000 in donations to cancer research. Outside the office, she takes care of her six acres, including the thirteen goats, eight chickens, three dogs, and twenty cats, along with spending time with her "six grand-likes and one great-grand-love."
